

ENDOWED FUNDS AND NAMING OPPORTUNITIES

To provide guidance about naming opportunities, we have listed below the desired size of a gift to attain that naming opportunity at Northeast Ohio Medical University.

ENDOWED FUNDS

A. Naming a College or Department

In order to name a College or Department, an endowment gift sufficient in size to generate a minimum of 10 percent (10%) of the annual operating budget of the College or Department is required based on the current investment return policy of Northeast Ohio Medical University.

B. Named Endowed Academic Chair, Professorship or Faculty Position

Named Endowed Dean College of Medicine \$5+ million
Named Endowed Dean Bitonte College of Dentistry \$4+ million
Named Endowed Dean College of Pharmacy \$3+ million
Named Endowed Dean College of Graduate Studies \$2+ million
Named Endowed Chair \$2.5 million
Named Endowed Professorship \$1 million

C. Endowed Academic Fund\$250,000

D. Endowed Scholarship Fund

Named Endowed Scholarship.....\$50,000

FACILITIES

A. New Construction

A donor who contributes a significant percentage of the construction project/cost of the facility may name a new facility.

B. Renovation

A donor who contributes a significant percentage of the cost of the renovation project may name a renovated facility that is unnamed.

C. Naming Opportunities within Facilities

A portion of a facility — such as a classroom, lab, seminar room, office or library area — may be named by a donor who contributes the amount designated for that component.

CONTACT US

Contact the Division of Advancement to speak with a member of the development team about endowed funds and naming opportunities at NEOMED. We would be happy to help you or answer any questions you may have.
